

SEPTEMBER 1.

Mr. THOMAS MEEHAN, Vice-President, in the chair.

Twenty-two persons present.

LEIDY MEMORIAL MEETING. Through an oversight a serious omission occurs in the record of the meeting held May 12, on the occasion of the death of Dr. Joseph Leidy, late President of the Academy. The first paper read was by DR. WILLIAM HUNT, who wrote of the personal history and character of the deceased President. The absence of Dr. Hunt's name from the list of those who read papers on the occasion is the more to be regretted as his contribution was prepared with loving appreciation and knowledge of his life-long friend.

SEPTEMBER 8.

Mr. THOMAS MEEHAN, Vice-President, in the chair.

Seventy-five persons present.

M. Detailed accounts of the scientific observations made during the voyage will be published in the Proceedings of a later date.
